Approval Process for Residents

The following must be completed for consideration as a resident:

- Meet with an RA, House Director or Directors (if possible, in Person)

Church Attendance

Residents are encouraged and recommended to attend a Bible believing and teaching church on a regular basis.

Kitchen

It is the responsibility of each resident to use their own dishware (plates, cups) Some cooking utensils, pots and pans are provided by the 17th Street Student Center. Each student is responsible for providing their own groceries, cooking, cleaning after their own meals. All dishes must be cleaned up within thirty minutes of your meal being cooked. Clean all utensils, pots and pans, and silverware. Failure to do your dishes will result in a \$10 fine per time.

Residents are responsible for immediately cleaning up after themselves by:

- Wiping down stove, sink, counters and tables
- Clean all dishes used & put dishes away
- Clean microwave if used
- Clean up spills on stove, leftover food & crumbs on floor
- Items used for cooking should be removed after use.

Dishes and opened food left in kitchen for 10 hours will be removed by staff and discarded. As a safety precaution, do not leave food or tea that is cooking on stove or oven unattended. Food in refrig & freezer need are to be labeled with your name.

Clogged Sinks and Toilets

When cleaning dishes, do not put any food down the drains or bathrooms. Throw excess food in the trash. Food clogs up the plumbing, causing slow or no drainage. If a plumber is called to fix any of these problems resulting from any of the practices identified, resident will be charged the repair cost.
